Note from this months Editor:

There were more than 80 people in attendance at our annual Holiday Dinner party held in Orlando. Thanks for all the preparation and work done by Mary & Bob Walker and helpers. The ham and turkey was once again a huge success. The side dishes brought by the members were well accepted and devoured as noted by the empty platters left after dinner.

I heard members say that this year was one of the largest turnouts of members that participated in our Annual Show and Tell.

After everyone finished eating, our President and his lovely children that helped distribute the gifts to our winners.

Thanks to our three big old elfs -John Russell, Jim Bergman and Harry Driver, everyone was checked in without a hitch and given their raffle tickets and information on how to display their Show and Tell artwork.

This years woodturning was as outstanding as any other year but a lot more members participated which made it even harder to decide what piece to pick for as your favorite.

After everyone voted, the winners were announced by our President Rick. Photos and the list are included in this newsletter. Thanks to our new member Phil Spicer for taking the photos.

If anyone would like to chip in and help with this monthly newsletter both Bob Miller and I would appreciate your assistance very much. We believe there is lots of talent in our club and we encourage you to help make this newsletter very informative and less work for one person. Just ask and Bob or me, and we can show you where you can help.

I wish everyone a Healthy and Happy New Year.
