2013 Symposium Exhibition The AAW has a long history of highly-acclaimed symposiums - dating back to 1987 - featuring turners and collectors from around the world, all gathering for 3 days of demonstrations and exhibits showcasing the art and craft of woodturning.

Join us for the 27th international symposium, to be held at the Tampa Convention Center, Tampa FL, June 28-30. The Tampa Convention Center, 333 South Franklin Street,

Chapter Collaborative Challenge Get thinking caps on and make sure we have something to exhibit. Call Danny Hoffman if you have some ideas. For the AAW's 27th international symposium, chapters are invited to submit one collaborative work created by as many chapter members as possible, with a minimum of six participants.

The Florida State Fair starts Feb 7 and runs for 11 days, ending on Feb 18 (Monday). See me (Bob Varner if you would like to man the booth for four hours. By doing this 4 hour stint you receive 2 admission tickets for the fair (you get in free). You can either bring your tools and demo for the crowd or just man the booth your choice.

The AAW Symposium in June. I am in charge of the demonstrator assistants. The assistants are more like gophers when and if the demonstrator needs something he needs - like a tool missing wood, ect. You will get a reserved seat for the demo you are a DA. Let me know if you would like to volunteer for. Now since not all demonstrator needs a DA. Since I won't know who needs a DA, I am taking names and your 3 choices. I will then choose the DA in the order I receive your name and will give you your 1st choice of demonstrator.

To volunteer for any of the above email me Bob Varner at: bvarner10@verizon.net

Please look over the State Fair Demo sheet and email me with your selection.

NEW MEMBERS

Please welcome our new members and start another small group meeting, these new members are interested, check or new roster phone numbers and skill levels.

WEDNESDY NIGHT GROUP

Visiting Guest
Master woodturner
Arthur Jones
talking with
Tom Schneider and
Bill Pepper

Danny
Hoffman the
Wed Night Group
leader

Goals of the Wed Night Group:
We meet with the idea of making sawdust and learning from each other. We have members from all woodturning levels, each wanting to improve and share their skills. Somebody always has a project that they would like to learn how to make, and we are there to assist them. Most importantly we are there for **FUN! AND CAMARADERIE**
